Hi Doug and Anthony,

Again, apologies for the confusion.

For the meeting with MMA, 12/22 between 2-3:30 works for everyone on our end. I assume we would need an hour. If we go to the New Year, we could meet on 1/3 between 12:30 – 4. Let me or Doug Gutro know if you need additional dates.

Thanks for your understanding and talk with you soon.

Karen

PS – Doug, we are set for the separate snow disposal call with you on 12/19 at 10:30.

Hi Karen,

Sorry I missed your call this morning.

We can certainly reschedule the MMA MS4 meeting to accommodate Ken. No problem at all.

As a next step, can you please get back to Anthony with some other dates that work for the entire EPA crew, and then Anthony will work with MMA to lock down a new date. If we get pushed into January, I think that would be OK.

Meanwhile, let's keep our snow disposal call for 12/19 at 10:30 now that we don't have any time crunch with MMA/MS4.

Thanks

Doug

Subject: snow disposal and MMA meetings

Doug,

I wanted to touch base on the two meetings we are scheduling. Doug Gutro, who has been out this week, sent me a note indicating he and Anthony scheduled the meeting with MMA to discuss the educational materials for MS4s on 12/19 at 9:30. And, I understand we are having our call with you on snow disposal on 12/19 at 10:30.

Since I assumed we would meet with MMA in person, I wonder if the timing may be a little tight. Also, Ken Morauff would like to attend the meeting with MMA and is not available until 11.

Apologies for the confusion here. I'll give you a call tomorrow.

Karen
